

# GAIL's

## ARTISAN BAKERY

When Tom, Ran, Gail and Emma set up GAIL's in 2005, there wasn't much great food on the high street. Things have changed somewhat, but we're still baking fresh bread every day and working with great suppliers to get the best ingredients around for our sandwiches, salads, cakes and our coffee and tea too. Our boxes offer a range of our favourites, or turn over to see a full list of what we can do.
